EXPLANATION OF RELEVANCE

Reference AL was identified and discussed in the present specification, and Applicants stand by the statements in the specification concerning the teachings of that reference.

References AA, AB and AL were cited by the Swedish Patent Office in a Search Report rendered in connection with the counterpart Swedish application. All of the references were cited in Category "A" as general technological background information. A copy of the Swedish Search Report is submitted herewith.

References AL, AM, AN, AT and AS were cited by the European Patent Office in a Search Report rendered in connection with the counterpart European application. All of the references were cited in Category "A" as general technological background information.

A copy of the European Search Report is submitted herewith.

Copies of each of the above references together with Form 1449 are submitted herewith.

Since all of these references are in English no further commentary concerning their teachings is necessary.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application, and therefore, this Information Disclosure Statement is in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.
